## The second part

William Byrd (c.1540-1623)

Superius (part 1 of 5)

Songs of sundrie natures (Thomas East press, London, 1589)

Her\_breath is more sweet than per-fect Am-ber is,  
her years are in prime and no-thing doth she want that might draw An-gels from  
Heav'n, that might draw An-gels from Heav'n to fur-ther bliss, to fur-ther bliss, to fur-ther  
bliss; Of all things per-fect, this do I most com-plain:  
her heart is a rock made all of A - da-mant, which gifts all de-light, de-light,  
which gifts all de - light, this last doth on - ly\_pain, this last doth on - ly\_  
pain, doth on - ly pain, doth on - ly pain, this last doth on - ly\_pain.
